Ordering Information

Please indicate the complete model number when ordering. Example:

Indications, contraindications and warnings can be found in the “Instructions for Use” which are supplied with each device.

CAUTION: The law restricts these devices to sale by or on the order of a physician. For more information, please contact your local Boston Scientific sales representative.

Products listed in this catalogue are meant for use in compliance with local country regulations and with applicable health authority product registrations. Local country regulatory approval and the availability of product can be verified by contacting your sales representative or your regional customer service.

Illustrations are for information purposes only, not indicative of actual size or clinical outcome.

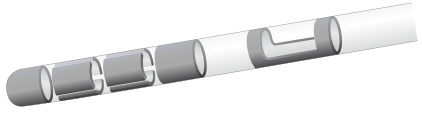

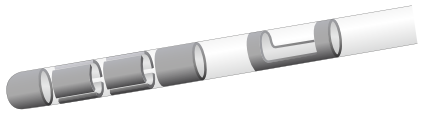

Implantable Products

MODEL NUMBER	UPN NUMBER	DESCRIPTION
